

Somerset Parking Permit Terms and Conditions

Eligibility

Residents whose usual place of residence is at a postal address within the Residents' Parking area, as defined in the relevant Traffic Regulation Order, are eligible to apply for up to two annual Virtual Resident Permits, one annual Visitor Permit and up to 100 Scratchcards per year; commencing on the date the first Scratchcards are purchased.

Whilst we request the property's Council Tax Number on application random checks will also be carried out periodically, and you may be asked to supply copies of relevant documents (i.e. a utility bill or lease agreement). If these documents are not supplied, when requested, permit/s held may be cancelled.

Residents of any property that has been built or converted since the resident parking scheme they are located in came into existence are not eligible to apply for any permits.

Resident permits

Each household is entitled to a maximum of two virtual Resident Permits, subject to resident status being proved. A resident household is defined as a single property with its own liability for Council Tax.

Properties where facilities are shared still qualify but only for the basic number of permits, irrespective of how many people live there.

The entitlement of two permits is reduced to one for properties with an off-road parking space (including garages) of a minimum size of 5m x 2.5m. Such a space does not need to be within the boundary of the postal address.

Vehicles

Vehicles that are allowed to park within the Zone using Resident Permits are passenger vehicles and light goods vehicles (not exceeding 3.5 tonnes laden weight, 2.3m high and 5.3m long).

Vehicles held on Virtual Resident Permits must be registered to the resident at the address within the Zone.

Whilst we do not request proof of vehicle ownership on application random checks will be carried out periodically and you may be asked to supply copies of relevant documents (i.e. V5 or lease agreement). If these documents are not supplied, when requested, permit/s held may be cancelled.

Vehicle Ownership

If the vehicle registration document is not in your name you must provide a signed letter from the registered keeper confirming that you are the sole user of the vehicle.

If the vehicle is registered under a company name you must provide a letter on the company headed notepaper confirming that you are an employee and sole user of the vehicle.

If the vehicle is a leased car, as well as the other documents, you will need to provide a letter from the leasing company confirming that the car is leased to you/your employer.

Blue Badge holders

Where a resident is a disabled person who holds a Blue Badge, the Blue Badge will act as the permit for as long as the Blue Badge is valid. The Blue Badge must be displayed in a vehicle parked in a Resident zone to act as a permit. If a Blue Badge is likely to be removed from a vehicle, the resident may wish to consider purchasing a virtual permit.

Costs

- The first Resident Permit costs £60 (see below for applicable discounts)
- The second Resident Permit costs £100 (no discounts apply)

Discounts

The permit cost is discounted for low emission vehicles as follows:-

- Vehicles with emissions up to 100g CO₂/km – 100% discount
- Vehicles with emissions between 101g -110g CO₂/km – 50% discount.
- A discount is available only on the first permit application.

The correct Vehicle Excise Duty Band will need to be input at application, and a copy of the V5C document uploaded; this will be verified by Somerset County Council.

Virtual Permits

The Annual Resident Permits are virtual permits. As with all virtual permits, nothing needs to be displayed in the vehicle.

To manage your Resident Permits, login to the MiPermit portal and select Residents from the main menu, and select Manage Residents Permits from the sub menu.

You can select your current permit and edit the vehicle registration.

A Resident Permit can only be issued to a vehicle belonging to, or hired by, a person who is a resident within one of the Residents Parking Zones. You can enter the vehicle registration of your nominated vehicle on initial application or renewal of the permit.

Change of vehicle

As a Resident Permit is vehicle specific you will need to inform MiPermit if you change your vehicle at <https://secure.mipermit.com/somerset/> 'Manage Virtual Permits' or telephone MiPermit on 0345 520 7007. There is no additional cost for this.

Visitor Permits

Residents whose usual place of residence is at a postal address within the Resident Parking Zone, as defined in the relevant Traffic Regulation Order are eligible to apply for one annual Visitor Permit and up to 100 Scratchcards per year. Residents who do not own a car have the same Visitor Permit and Scratchcard entitlements as those who do.

Vehicles

Annual Visitor Permits and Scratchcards can be used on any vehicle whose driver is visiting the premises, except for any vehicle registered at the property.

Visitor Permits must not be sold or given to anyone who is not visiting your property.

Abuse of your Visitor Permits may result in their cancellation.

Costs

- An annual Visitor Permit costs £60
- Visitor Scratchcards cost 30p each and are sold in sheets of 5, minimum purchase 2 sheets for £3.00. Up to 20 sheets can be purchased.

Display of visitor permits

Visitor Permits must be prominently displayed inside the front windscreen of the vehicle at all times the vehicle is parked within the Zone during a visit.
