- 2.2. The aim of these Rules is to assist Officers in achieving best practice and lawful procurement, to ensure that the Council fulfils its duty of delivering Best Value for its council tax payers and excellent outcomes for its service users.
- 2.3. The Rules also provide a basis for fair competition by providing transparent and auditable procedures to protect the Council’s reputation from any suggestion of dishonesty or corruption.
- 2.4. These Rules apply to all Officers of the Council or any companies or organisations within the Council’s control. They are part of the Council’s Constitution and therefore Officers have a duty to ensure they have fully understood them and have sufficient authority prior to commencing any procurement or contracting activity (see *Section 11. Pre-Procurement Authorisations*).
- 2.5. Officers must also ensure that any persons or organisations acting on behalf of the Council fully comply with these Rules.
- 2.6. These Rules are mandatory and shall govern and regulate the Council’s procurement and contract award procedures. Officers must also refer to the Commercial and Procurement Team (“CPT”) for more detailed guidance throughout the procurement process.

Failure to follow these Rules may be dealt with as a breach of the Council’s standards of conduct and in certain instances may be treated as gross misconduct and give rise to action under the Council’s disciplinary policy and procedure (see *Section 58. Non-compliance to the Rules*).
- 2.8. If upon reading the Rules the Officer discovers a lack of clarity or wishes to ensure their comprehension and compliance, they must consult with the CPT for advice and guidance. The Officer shall not be excused from these Rules on grounds of a lack of understanding.

 - a. a conflict of interest;
 - b. evidence of collusion; or

- 10.3. - 10.1. Suppliers consulted during market engagement activities shall only be excluded from the procurement process where there are no other means to ensure compliance with this section in its entirety. Potential Candidates must be given the opportunity to prove that their involvement in market engagement activities is not capable of distorting competition. SECTION D: THE PROCUREMENT PROCESS

18. Framework Agreements

18.1. A Framework Agreement is an agreement between one or more contracting authorities (bodies governed by public law) and one or more suppliers, the purpose of which is to establish the terms governing Contracts to be awarded during a given period, in particular with regard to price and, where appropriate, the quantity envisaged. Framework Agreements may be established by the Council, or by other public bodies, or public sector buying consortia, as arrangements through which the Council, along with other public bodies, may make specific purchases.

18.2. The term of a Framework Agreement must not exceed four years. There must be one (single-provider framework), or more than two (2) (multi-provider framework) suppliers awarded a place on a Framework Agreement.

- 18.3. When the Council has concluded a Framework Agreement with more than one supplier or seeks to meet its requirements through an already established Framework Agreement a Contract may be awarded:
- a. by the application of the terms laid down in the Framework Agreement without re-opening competition; or
 - b. by 'further competition' between each capable supplier in full accordance with the Relevant Legislation.
- 18.4. The Officer may not select more than one Framework Agreement to procure a single Contract and only suppliers that appear on the Framework Agreement may be approached to provide the Contract.
- 18.5. Where expressly permitted by the Framework Agreement Contracts may be awarded beyond the life of a Framework Agreement provided that such Contracts are not awarded improperly or in a way that seeks to distort competition. As an example it would serve to distort competition to award a Contract that significantly exceeded the life of the Framework Agreement where it was not common practice or expected by the market to do so or where a Contract is awarded for a significant period towards the end of the term of the Framework Agreement.
- 18.6. When a further competition takes place for Goods, Services or Works, that exceeds the EU Threshold the Standstill Period shall apply.

19. Dynamic Purchasing Systems

- 19.1. A Dynamic Purchasing System is similar to a Framework Agreement, save for the fact that it is operated as a completely electronic process, additional suppliers can be added throughout the life of the arrangement and the term can be for a period that is proportionate to the nature of the Goods, Services or Works to be procured under it.
- 19.2. Dynamic Purchasing Systems may be established by the Council, or by other public bodies, or public sector buying consortia, as arrangements through which the Council, along with other public bodies, may make specific purchases.
- 19.3. In opening up access to suppliers to the Dynamic Purchasing System the officer must:
- a. offer unrestricted, direct and full access to the Procurement Documents by electronic means at all times throughout the life of the Dynamic Purchasing System;
 - b. allow new applications to be submitted throughout the life of the Dynamic Purchasing System;

- c. complete the evaluation of a newly submitted application within ten days of its receipt;
- d. admit to the Dynamic Purchasing System all new suppliers that satisfy
- e. the Selection Criteria, and
- f. notify suppliers of their admission to the Dynamic Purchasing System or rejection of their application.

19.4. In awarding a Contract under the Dynamic Purchasing System the Officer must:

- a. place an advertisement for the Contract to all suppliers admitted to the Dynamic Purchasing System or to those admitted to a specific lot, where relevant;
- b. seek Tenders from suppliers and award the Contract in accordance with the Relevant Legislation.

20. Use of Framework Agreements and Dynamic Purchasing Systems

20.1. Where a Framework Agreement or Dynamic Purchasing System has been approved as suitable by the CPT the Officer must use it for the making of the proposed purchase.

20.2. The use of a Framework Agreement or Dynamic Purchasing System may be appropriate where:

- a. Quotations or Tenders are regularly obtained for the same or similar types of Goods, Services or Works; and
- b. it is not practical or appropriate that the Goods, Services or Works in question be aggregated into a single requirement and/or competed under one procurement; and
- c. the Total Contract Value of the Goods, Services or Works, if aggregated, would exceed the EU Threshold.

20.3. Where the Council seeks to establish a Framework Agreement or Dynamic Purchasing System it shall be let and used in full accordance with the Relevant Legislation and terms of the Framework Agreement or Dynamic Purchasing System.

21. Standard Procurement Documents

21.1. The Officer must use standard Procurement Documents or relevant Framework Agreement or Dynamic Purchasing System documents to conduct any procurement or contracting activity that will or may result in

the incurring of any expenditure for the supply of Goods, Services or Works.

- 21.2. Standard Procurement Documents are stored and maintained by the CPT and can be obtained in consultation with a certified Procurement Officer.
- 21.3. Where it is necessary to vary the standard Procurement Documents or relevant Framework Agreement or Dynamic Purchasing System documents the Officer must consult with the CPT.

- 22.4. Acceptance will be notified to the successful supplier by issue of a Purchase Order. - 22.5. Unsuccessful Candidates shall be notified and, at their request, shall be given the reason why they were unsuccessful without breaching the commercial confidentiality of other Candidates.
- 22.6. The Officer must inform the CPT of the Contract details, such that a record can be made on the Council's Contracts Register.

However, the Officer may use their discretion and include such a period as is required. Such discretion shall only be granted where the Officer has consulted with the CPT. Where the CPT advises that an Standstill Period is necessary to minimise the risk of a legal challenge, the Officer will include the period in the procurement process. In any case, all Candidates must be simultaneously notified in writing of the outcome of the Tender.
- 43.7. Where an unsuccessful Candidates requests debrief information the Officer may use their discretion in deciding whether or not to comply with the request; there is no legal obligation imperative on the Officer to do so for under EU Threshold Tenders.
