**CHIEF EXECUTIVE AND SENIOR LEADERSHIP
TEAM'S SCHEME OF DELEGATION TO OFFICERS
April 2020**

**Contact Officer: Scott Wooldridge
Monitoring Officer and Strategic Manager -Governance &
Democratic Services
01823 357628**

Introduction

This Scheme of Delegation is the framework within which officer's exercise delegated decision making powers. Any officer taking decisions must comply with this Scheme and failure to do so should result in appropriate management action. This Scheme deals with **non-key** officer decisions. **Any proposed officer key decisions require early liaison with the Democratic Services to ensure compliance with procedures that are not fully reflected in this Scheme.** The Council's definition of a key and a non-key decision are set out in Article 9 of the Constitution.

General roles and responsibilities of Members and Officers

County Councillors (also known as 'members') set the Council's policy priorities, strategies and budget. The Chief Executive, Senior Leadership Team (see Appendix A) and officers have responsibility for implementing these strategies and policies through managing the Council's day to day operations, within the policy and budgetary framework agreed by members.

Both Full Council and the Leader / Cabinet have specific responsibilities and the majority of these functions can be delegated to committees or officers. Likewise, a committee can delegate its functions to an officer. Only the Leader can delegate responsibilities to an individual member and that must be a member of the Cabinet.

Council Functions: The functions delegated to officers in relation to Council functions are set out in the Part 3 of the Council's Constitution. These functions include the powers for determination of planning applications in certain circumstances.

Leader / Cabinet Functions: The functions and areas of responsibility for the Leader and the members of the Cabinet are set out in the Council's Constitution. These functions and responsibilities are subject to approval by the Leader of the Council and can be varied at any time. These functions relate to the Council's day to day functions.

Where a function has been delegated to an officer, the body or person delegating the function can override the delegation at any time and exercise the function directly. Similarly, where the Leader has delegated a function to the Cabinet or a Cabinet member, the Leader can override the delegation at any time and exercise the function directly

Please note that this Scheme of Delegation is for officers of the Council.

Consultants, service providers, partners or agents of the Council cannot be empowered to take decisions on behalf of the Council.

On 28 March 2020, the Leader of the Council and the Chief Executive agreed emergency democratic and decision making arrangements to assist the Council in managing its response to the Coronavirus pandemic. That decision authorised a suspension of council meetings and a review of the Officer Scheme of Delegation to ensure that Officers were empowered to deliver the council's functions usually reserved for Full Council, the Cabinet and the

council's committees. Details of that decision can be viewed on the Council's website or by contacting Scott Wooldridge, the Council's Monitoring Officer.

Purpose of Scheme of Delegation

The Council's Constitution sets out the Cabinet and Council Schemes of Delegation. These include general and specific delegations to the Chief Executive and Senior Leadership Team officers (see Appendix B). The general delegations provide flexibility to deal with changes in legislation and case law and empower the Chief Executive and Senior Leadership Team officers to take operational decisions.

This Officer Scheme of Delegation empowers officers of the Council to take decisions on behalf of the Senior Leadership Team to ensure the delivery of the Council's services. It includes:

- a general delegation to all officers of the Council to take day to day operational decisions in the delivery of Council services (see Appendix A);
- functions and powers delegated to individual Senior Leadership Team officers (see Appendix B);
- functions and powers delegated to all Senior Leadership Team officers (see Appendix C);
- substitution arrangements where a Senior Leadership Team officer is unable to exercise a delegation for any reason (see Appendix D); and

Whilst the intention of the Scheme is to set out the empowerment of officers to take types of decisions, in certain circumstances e.g. officer absence or decisions where there are significant objections, the officer with the delegated power may elect to escalate the proposed decision to their line manager to consider the decision instead.

In addition, the Chief Executive and the Senior Leadership Team may, in writing, add additional delegations to officers concerning functions and activities within a given area of responsibility as they consider appropriate (see Appendix E for an example).

It is essential that officers understand their responsibilities under the Scheme and the authority (including financial) limits within which they must operate. That said, this Officer Scheme of Delegation should be regarded as empowering rather than constraining. Appendix F sets out details of what is meant by 'good governance'.

The Chief Executive and the Senior Leadership Team are responsible for the general management of their respective functions including:

- a. management of staff resources;
- b. the effectiveness and efficiency of service delivery;
- c. budget management;
- d. contract tendering and management; and
- e. ensuring all staff are aware of and comply with the council's policies and procedures.

Key principles for decision-making in Somerset County Council (SCC) are:

- (a) Proportionality (such as, the action must be proportionate to the desired outcome).
- (b) Due consultation and having regard to professional advice from officers.
- (c) Respect for human rights.
- (d) A presumption in favour of openness.
- (e) Consideration and management of risks.
- (f) Explanation of the options considered and recording of the reasons for the decision.
- (g) Clarity of aims and desired outcomes.

Details of the Scheme of Delegation to officers of the Council

This Scheme of Delegation sets out all significant functions where delegated authority rests with officers and which are of a statutory, financial or managerial nature, rather than those of a purely operational nature. This Scheme does not define how those decisions should be taken nor does it attempt to list all the matters which are incidental to the exercise of those powers and which are part of the everyday management functions of officers. Nevertheless, it is the responsibility of Senior Leadership Team officers to ensure that they and officers in their areas of responsibility comply with the Council's governance arrangements.

This Scheme of Delegation provides a broad range of delegations to empower officers to meet business needs and the roles specified in their job descriptions, without being explicit on all the powers available by legislation to the Council. Officers must be able to demonstrate, if challenged, that they have the decision making authority to undertake certain duties / decisions.

Officers involved in commissioning, procurement, purchasing and spending decisions should also make reference as necessary to the Council's Contract Standing Orders and Financial Regulations.

Substitution for Senior Leadership officer

Appendix D sets out details of officers who have full delegated authority to substitute for Senior Leadership Team officers in their absence or where they are unable to act. This includes authority to take decisions up to the relevant financial threshold and delegation levels applicable to the Senior Leadership Team officer.

Specific delegations to officers on behalf of a Senior Leadership Team officer

All Senior Leadership Team officers will establish a list of authorised council officers for the functions / services / budgets that they manage on behalf of the council.

Appendix E includes an example of a letter that authorised officers may wish to produce individually for officers that details the legislation under which they are working when they undertake their duties. The Monitoring Officer needs to be informed of any officers authorised under this provision.

Where any authorised officer is absent for any period, their immediate line manager or Senior Leadership Team officer with management responsibility for that officer may nominate in writing another officer to act in his or her place and shall make a record of all such nominations with the Council's Monitoring Officer, Democratic Services. Alternatively, the line manager for an authorised officer who has overall responsibility for that function may take the decision.

Financial thresholds for Officer decision making

Authority for all Officer decision making is limited according to the financial thresholds below (unless otherwise stated in the specific delegations):

- **Decisions involving total expenditure or delivering savings over £250,000 of SCC capital or revenue resources *** – Only the Chief Executive and/or Directors and Deputy/Assistant Directors within the Senior Leadership Team
- **Decisions involving total expenditure or delivering savings up to £250,000 of SCC capital or revenue resources *** – All Strategic Managers and officers at Grade 6 or above
- Decisions involving total expenditure or delivering savings up to £50,000 of SCC capital or revenue resources * - All Service Managers and Officers at Grade 8 or above
- **Decisions involving total expenditure or delivering savings up to £10,000 of SCC capital or revenue resources *** – All officers at Scale 11 or above
- **Up to £500 of SCC capital or revenue resources *** – All council officers.

* There is the option for the relevant authorised officer to refer the decision up to another relevant senior officer from where their delegated powers are derived, the relevant Cabinet Member, the Leader of the Council or to Cabinet to take the decision.

Important note:

- These threshold figures will relate to total costs or savings and not annual figures. All decisions should be in accordance with contract standing orders, financial regulations and corporate procedures - see the Somerset County Council Constitution.

General limitations on officer decision making

The exercise of functions delegated to officers under this Scheme must comply with:

- any legal requirements or restrictions;
- the Council's Constitution;
- the Council's policy framework and any other plans and strategies approved by the Cabinet;
- the Council's approved budget;
- the Standards of Conduct for Staff, the Fairness & Dignity At Work Procedure, the Equalities Policy Statement, the Health & Safety Policy and any other Code issued by the County Council from time to time;
- any Employee Code issued under the Local Government Act 2000;
- the County Council's Human Resources (HR) policies and procedures including those relating to employment;
- the Code of Recommended Practice on Local Authority Publicity;
- the requirements to achieve Best Value; and
- Contract Standing Orders and Financial Regulations.

Any failure to comply with the Scheme or Council procedures can be a disciplinary matter.

Prior to an officer taking a non-key decision, the exercise of any delegated power shall be subject to (where applicable):

- (a) **Consultation with the relevant Cabinet Member(s) and Junior Cabinet Member(s). Where the Cabinet Member is consulted then the relevant Opposition Spokesperson and the Chairman of Scrutiny Committee must be informed prior to the decision being taken.**
- (b) **Consultation with the relevant Senior Leadership Team officer / Group Manager**
- (c) **Ensuring that any local County Councillor whose area is significantly affected is consulted before the decision is taken and is informed of any subsequent action / outcome.**
- (d) **Consultation with the Section 151 Officer, Monitoring Officer, County Solicitor and HR & OD Director where there are likely to be financial, legal or HR implications.**

Note - SLT have agreed an exception to all of the above consultation requirements in respect of decisions relating to service delivery to an individual person. In these instances, officers are not required to undertake the stated preliminary consultation providing the decision is in accordance with Council policies and budget provision exists and the Council has the necessary legal powers. Officers must still ensure they retain appropriate decision records.

An officer, in exercising delegated powers, shall have regard to any advice received.

Officers in the exercise of functions delegated by this Scheme may not:

- Create, approve new or change or contravene policies or strategies approved by the Council or the Cabinet without first consulting with the Leader of the Council, relevant Cabinet Member(s), Opposition Spokesperson(s) and Chair of relevant Scrutiny Committee;
- take decisions to withdraw public services without first consulting with the Leader of the Council, relevant Cabinet Member(s), Opposition Spokesperson(s) and Chair of relevant Scrutiny Committee; and
- take decisions to significantly modify public services without consultation with the appropriate Cabinet Member before exercising the delegated power.

Management of the Officer Scheme of Delegation

The Monitoring Officer (Scott Wooldridge), Democratic Services, is responsible for maintaining the Scheme of Delegation, for managing all key decisions taken by members or officers and for supporting Cabinet decision making. In addition, the Democratic Services Group issue guidance, provide training, and manage systems to record officer decisions on behalf of the Chief Executive.

This Scheme of Delegation will be reviewed at least annually by the Monitoring Officer in consultation with the Section 151 Officer and the Chief Executive.

Officers are responsible for maintaining their own records for any decisions taken and ensuring they can demonstrate that they have complied with procedures.

This Scheme of Delegation is subject to approval by the Chief Executive and can be altered at any time by the Chief Executive. Democratic Services will maintain and publicise the latest version of the Scheme of Delegation. Specific delegation is given to the Monitoring Officer and Service Manager-Governance to authorise technical adjustments/amendments to this Scheme of Delegation such as changes arising from legislation or to authorised officers due to vacancies/staff turnover, etc.

Records of officer decisions

- 1) Decisions over £500k AND / OR where they have a significant effect on communities living or working in two or more County Councillor divisions

These decisions qualify as key decisions and officers must liaise with the Democratic Services team at the earliest opportunity in order to comply with the necessary pre-publication and consultation requirements ahead of a key decision being taken by an officer, a Cabinet Member, by two Cabinet Members or Cabinet/Somerset Waste Board.

Specific guidance notes and report templates are available for key decisions on the intranet and from Democratic Services. Democratic Services retain decision records and background papers for at least 6 years.

2) Decisions involving between £50k and £499k SCC spend / savings, going out to tender (all contract values over £50k), declaring assets/property surplus to requirements (all assets over £50k in value) and consultation responses

Where officer decisions result in total expenditure or savings of between £50k and £499k (Capital or Revenue) then officers are required to complete the necessary decision record for approval by an authorised officer. The authorised officer signs the record to give their approval. A copy of the completed and signed decision record must be given to the Democratic Services. In all other circumstances, the service will be required to retain a copy of the decision record / evidence of compliance with the Scheme of Delegation and the council's decision making requirements.

Specific guidance notes and the decision record template for these decisions are available on the intranet and from Democratic Services. Democratic Services will retain the decision records for at least 6 years, as should report authors.

3) Decisions involving less than £50k SCC spend / savings

Where officer decisions result in expenditure or savings of less than £50k (Capital or Revenue) then officers are required to produce and keep their own decision records, supporting information and background papers for at least 6 years. Report authors can choose to use the officer decision report template for decisions between £50k and £499k if they so wish, but a copy does not have to be sent to the Democratic Services.

The only exceptions to the above arrangements are :

- Provision of SEN services to individuals
- Provision of Safeguarding and Care services to individuals
- Agreed inflationary increases on contracts within Safeguarding and Care
- The purchase of service packs for Protocol
- Decisions relating to services to individual people

In these cases the respective SLT officers are responsible for ensuring appropriate decision records and systems are in place.

Management of lists of authorised officers

Decision records – Monitoring Officer and Strategic Manager-Governance (Scott Wooldridge) following consultation with Human Resources will maintain the register of posts/officers that have delegated powers under this Scheme of Delegation.

Payments – Director of Finance (or his nominated officer) & Deputy S151 Officer will maintain the register of posts/officers authorised for the Council's SAP system and Financial Regulations.

Contracts - Head of Commercial & Procurement (Claire Griffiths) will maintain the register of posts/officers authorised to open tenders and undertake procurement activities and officers authorised to award contracts.

Publicity of officer decisions

All officer key decisions and those decisions which have been taken following a specific delegation from a Cabinet or Waste Board meeting or from individual Cabinet Members will be published on the Council's website and to members. All officer key decisions will be preceded by advance publication to elected members and on the Council's website in the Cabinet Forward Plan along with the publication of a notification report setting out the proposals and recommendations at least 5 working days before a decision is due to be taken. For further assistance view the guidance notes on the Council's intranet pages or contact the Democratic Services team.

All other officer non-key decisions not meeting the above criteria would not normally be published on the Council's website. Officers will need to consider any appropriate communication following decisions in order to inform relevant elected members, service users, partners and the public.

Further details / guidance

Guidance Notes and report templates for member and officer key / non-key decisions can be found on the Democratic Services intranet pages at <http://intranet.somerset.gov.uk/community-governance/decision-making-and-templates/>

Training is available for officers on the Council's governance framework and decision making arrangements via the Democratic Services team.

I hereby confirm that this document and appendices represent the current Somerset County Council Officer Scheme of Delegation and duly authorise the delegation arrangements identified in this Scheme and empower officers to undertake all necessary actions as specified:

Signed:

PATRICK FLAHERTY

Designation: Chief Executive, Somerset County Council

Date: 23 April 2020

Appendix A - General delegation to all officers

Authority to act on behalf of the Chief Executive and / or a Senior Leadership Team officer to deliver the services for which they are individually responsible (as defined by the Constitution, Schemes of Delegation, Organisational Structures and / or Job Descriptions) and for all related decisions which are **not 'key or non-key member decisions'** (although there may be occasions when decisions are delegated to an officer by the Leader, Cabinet or Cabinet Members).

Authority to do anything that they consider appropriate and reasonable to safeguard, protect and to promote the interests of the Council.

Where a specific delegation is available then it overrides this general delegation and should be used. Where the power is also included in the Cabinet Member delegations, the officer cannot make a decision without the agreement of the relevant Cabinet Member.

Any such authority may be exercised by another officer duly authorised in writing to act on their behalf in their absence or at other times, in accordance with any general directions of the Senior Leadership Team officer. Copies of specific delegations to officers not set out in this scheme need to be provided to the Monitoring Officer, Democratic Services (officers should use the specific delegation proforma in Appendix E).

Deemed delegations

Where in respect of a given function or activity, no delegation is in effect and an officer has a management responsibility in relation to the exercise of that function or activity, the exercise of any delegated authority necessary to carry out the function or activity effectively shall be deemed to have been delegated to that postholder.

Appendix B – Specific functions, areas of responsibility, authority and powers delegated to Senior Leadership Team Officers (and to include the Monitoring Officer)

This appendix defines the specific functions, areas of responsibility (including authority to do anything necessary to deliver services, deliver savings and commit expenditure), authority to manage services and take decisions for each of the Senior Leadership Team Officers. Appendix F – Good governance

In 2007, the then Standards Board for England stated that *“Good governance is the cornerstone of effective public organisations.”*

What does good governance mean in practice?

By good governance and accountability we mean:

- Focusing on the Council’s purpose and on outcomes for citizens and users.
- Performing effectively in clearly defined functions and roles.
- Promoting values for the whole Council and demonstrating the values of good governance through behaviour.
- Taking informed, transparent decisions and managing risk.
- Developing the capacity and capability of staff to be effective leaders.
- Engaging stakeholders and partners and making accountability real.

It also means:

- Ensuring the organisation is doing the right things, in the right way, for the right people in a timely, inclusive, open, honest and accountable manner
- Encouraging continual improvement in services so they meet the changing needs of diverse communities and provide fair access for all.
- Stimulating significant improvement in the quality of data and the use of information by decision makers.
- Raising standards of financial management and financial reporting (stewardship).
- Challenging ourselves to deliver better value for money.

The Chief Executive and the Senior Leadership Team are determined that strong governance should be at the heart of the Council’s culture. A key reason for this is that there is a considerable amount of evidence which indicates that those organizations which have good governance are also the most effective in terms of delivering their aims.
